ASCEND FEDERAL CREDIT UNION HOLDS GROUNDBREAKING FOR NEW FINANCIAL CENTER

Ascend Federal Credit Union is pleased to announce the construction of a new financial center in Cool Springs.

A groundbreaking ceremony for the new facility was held Wednesday, June 18 at 3150 Aspen Grove Dr. in Franklin.

“For many years, credit union members and potential members in Williamson County have asked for a financial center,” Ascend President and CEO Caren Gabriel said. “Now, we are on the way toward providing everyone in Williamson County with more convenient access to Ascend.”

Ascend Board of Directors Chairman Randal Braker gave those attending the groundbreaking a hint of what’s in store with the new financial center.

“Once this facility is completed, one of the first things you will notice when you visit is that there are no obstacles between members and credit union employees who are trying to serve them,” he said. “This allows for a far more personal experience than what you’re accustomed to in a financial center, and that personal interaction is key to our mission of raising possibilities for members.”

Ascend’s Cool Springs financial center will feature an Internet kiosk for online account access, a Kid’s Center, a refreshment center, media screens, biometric scanners for the safe deposit boxes, and more.

Ascend Federal Credit Union is a full-service financial institution with 15 locations in Middle Tennessee. Federally insured by the NCUA, membership is limited.
