ASCEND FEDERAL CREDIT UNION HOLDS GRAND REOPENING FOR NASHVILLE FINANCIAL CENTER

Ascend Federal Credit Union invites members to visit its newly remodeled financial center located at 2600 Elm Hill Pike in Nashville.

On March 13 Ascend held a grand reopening of the facility.

“We are calling this a grand reopening because we have been serving members from this location for 14 years,” Ascend President and CEO Caren Gabriel said. “Now with this redesigned financial center, members will enjoy more convenience and an even higher level of service.”

Credit union members can now register for online account access at the Internet kiosk, visit the refreshment center and have some coffee or water, and speak with a Member Service Representative about the latest loan specials in one of the new Member Service Rooms.

Ascend has more than 127,000 members and more than \$1 billion in assets. It is a full-service financial institution with 15 locations in Middle Tennessee. Federally insured by the NCUA, membership is limited.
